AMERICAN HEART MONTH

February is American Heart Month. Known as the month of love and includes Valentine's Day celebrating romance. This began in the 14th and 15th centuries when notions of courtly love flourished like "love birds" in the spring.

Keep your heart healthy by being physically active, choosing healthy foods, limiting alcohol use and salt. Get scheduled with your primary care physician for an annual check-up.

Come by to give back to the community and make your donation this month to Battle Mountain Humane Society with our Have a Heart, Give a Pet a New Start Spay and Neuter Program.

Stop by and learn more about our Sweetheart promotions this month!
